You'll soon see why the buck stops here and you can't miss out on the serious opportunity coming in the pages of this edition of CULTURE ~~CRENGE~~ CRINGE!!

The date of the publication of this particular zine is of most importance, due to the fact that February 2022 marks the 10 YEAR ANNIVERSARY of Culture Cringe!!! 10 years, I can't believe it. It was on VALENTINES DAY 2012 that this journey started and we've since put out HUNDREDS of zines and releases, but the best is yet to come, as we have decided to throw our hat into the HOT INVESTMENT PROPERTY game and will give you the chance to get in on the ground level!! (ECHO.....)

INSERT: MAIN BODY OF ZINE BEGINS HERE. → **IT'S ALL ABOUT HOT PROPERTY!!** (ECHO.....ECHO.....ECHO.....)

CRINGEY HERE and I've come to remind you to eat your cereal with a fork and do your homework in the dark!! Does this zine taste different lately? Is the flat, familiar stale taste disappearing? Have you noticed a new tingling sensation in the **HOT PROPERTY** ← area of your brain? Do you suffer from discomfort in your social thinking? Dislocation of perspective? THERE's A ~~RESIN~~ REASON. It was about 10 years ago that the CULTURE CRINGE ZINE © became a popular field of modern literature. "Popular" in the sense that it could be gotten for FREE (as part of the Cringey-Money-Back-Guarantee ©)! The early zines were tremendously exciting, not so much for the quality but for the extravagant display of ideas, new concepts, new directions, speculation, extrapolation, sheer hunch and guesswork, HOT PROPERTY, and an astonishing amount of accurate prognostication in the field of zine publication. → **WHEW! CULTURE CRINGE © FAN MAIL !!!!!

Dear Cringey, my name is [redacted] and I live at [redacted] in Murfreesboro, TN. (EDITOR'S NOTE: DO NOT PUT YOUR FULL NAME AND ADDRESS IN ANY FAN MAIL! IT'S NOT NECESSARY)

At first glance I have been picking up the zines for a couple years now and my favorite was the UFO issue for sure. I have been studying it and noticed that there are what appears to be latitude and longitude coordinates randomly inserted throughout. I've done some research and I just have to know: are those coordinates of possible UFO sightings in Murfreesboro? My brother thinks I'm crazy but honestly he's kind of a butthole and I think he may be in to book burning now anyways. So his opinion does NOT count. Can you give me any insight. Thanks. Also, I never got my Secret Society welcome package. All I got was an email. Just curious!

RESPONSE FROM CRINGEY (NOTE: Send your CULTURE CRINGE © fan mail to culturecringemedia@gmail.com)

But this maneuver was in vain. Hey [redacted] it's me. Cringey. Thanks for the letter. I'm glad you liked the UFO issue. I liked it too. That's so cooooool! Anyways, I'm sorry you have wasted so much time looking in to what the coordinates might be referring to, but I at least owe you an explanation. Unfortunately, they don't refer to UFO sighting locations. They were actually previews of the precise locations for some of my upcoming → HOT PROPERTY ← home listings! Are you in the market for a new home? ARE YOUR PARENTS? Check out some of the → HOT PROPERTY ← listings in this zine for an idea of what I have to offer you!! Also, as far as your brother goes, don't trust him with anything. ESPECIALLY your food, medicine, or transportation. He seems to have been compromised. Oh, and the Secret Society welcome package.....it is necessary for me to VET everyone before I send those out, and that process can take up to 7 years. Hang tight, it's coming!! xoxoxox CRINGEY
